#### **Supervised Visitation**

After a long career as a real estate appraiser, I have transitioned into a career in supervised visitation. I am enjoying working with parents and their children as they spend valuable time together.

#### **Training and Education**

Standard 5.2 and Family Code Section 3200.5 training through the Judicial Council of California.

Continuing education includes: Substance Abuse and the Impact of Parenting in Supervised Visitation, The Fundamental Principles of Report Writing and Parent Education and Family Stabilization.

Adult and Pediatric First Aid/CPR/AED. Red Cross trained.

Bachelor of Arts, California State University, Chico

#### **Professional Affiliation**

Member Supervised Visitation Network

#### **Related Experience**

In the process of raising four children, who are now young-adults, I had the pleasure of working with toddlers through teenagers in many volunteer capacities.

Scouting BSA (Boy Scouts): Charter Organization Representative Troop or Crew 104 since 2012. Life-to-Eagle Scout Advisor for three years. Over a thirteen-year period, volunteered at many Cub Scout/Boy Scout events and Eagle Scout projects.

Music Programs Korematsu Middle and El Cerrito High Schools: Reception/Snack Sale Coordinator for four years plus volunteered within several committees and for many events over six-year period.

Speech and Debate Team El Cerrito High School: Member Adult Leadership Team for four years. Coordinated/volunteered at several events and judged at many competitions.

Korematsu Middle School: President of a committee for four years dedicated to increasing academic rigor at a previously struggling urban middle school.

Kensington Elementary School: Active parent volunteer in many capacities over twelve years, including several hours each week assisting classroom teachers with the children.

Kensington Cooperative Nursery School: President of the Board of Directors, one year. Maintenance Director, one year. Supervised children, four years.

## **Prior Experience and Transferable Skills**

I was a real estate appraiser from 1986 through 2019. My practice included the valuation of commercial, residential and public structures. Before being self-employed for many years, I worked for banks, a utility company and other appraisal firms.
